"Ladies In ...?"

The Northeast Drama Workshop presented the famous suspense drama LADIES IN RE-TIREMENT in November to receptive audiences. Difficult characterizations plus a challenging set, made for a satisfying experience. Seniors Peggy Sheffield, Diane Abrams, Lori Smith and Tim Rowe turned in outstanding performances, enhanced by Lori Smith's costumes, Jerry Wright's scene painting, and stage-managed by Jeff Neas.

What evil lurks in the mind of one of these three lovely sisters?

"Look Filen — a dead bird!"

Stage Band performed a mixed repertoire

The Melodious sound of the Gondoliers highlighted the assembly.

Kim Marshall directed Relevance '75.

The Carnival was held in the fall again this year and the usual hustle and bustle penetrated the minds of students as they built the various booths and attractions Each club sponsored a money raising project with generous assistance from members of the faculty This year's Carnival was a great success and a lot of fun

You and twent with But the me non-tred

the receipant a first privears

Maria Scruggs Voted Homecoming Queen

As November came to NEH1 students anticipated one of the most fervid events of the year. It included the most memorable football game of the season. The determination of achieving victory permeated each student

It originated in the morning while the traditional pep assembly, composed of our number one Viking Band, football team, cheerleaders, clubs and faculty, entertained. Fourteen lovely girls were presented for the 1974-1975 Homecoming Court and the student body selected its favorite The votes were collected and the court nervously awaited the winner, who was to be announced at the game during halftime. Mrs Leila Davis presented the Viking Band a gold trophy for placing second when they competed against other bands in Troy, Alabama. Northeast is certainly proud of their success

The Football game itself was greatly anticipated and the Mighty Vikings defeated Clearwater by a score of 21-6. Northeast had a fantastic turnout leaving the John Sexton stadium packed! Multicolored ballons were scattered throughout the crowd. The cheerleaders, filled with enthusiasm, relieved the tension during the game. The spectators' eyes were focused intently upon the team and the mechanism of each play. Finally, halftime.

MARIA SCRUGGS was proudly awarded the reign of our 1974-1975 Homecoming Queen. She was the first black queen in the history of Northeast, which made her especially unique. Maria is tall, slender, and was ever so graceful as she was being crowned by Sherry Oelkers. Northeast was delighted.

November twenty-second, naneteen hundred and seventy four was superb. Blacks and whates, seniors, juniors, sophomores, freshmen, young, and old assembled together, participated, expressed great enthusiasm and spirit and, above all, UNITY

Reaping the Harvest

Many things possess life. What makes an animal interior to the homosapien? Emotion? Surprise anger, laughter, all are fiery emotions that affect the ones around you

Silence is a placid emotion beautiful in itself. Being able to think and have self-control

Man communicates and cannot live without companionship. He needs to understand life, and the universe, religion, his associates. He has a purpose which needs to be satisfied. Who is the Creator? Who is responsible for emotion, something that strums his feeble mind daily.

How does it feel to be inspired? Who motivates you and why do you explain?

knowledge. The fate of mankind. A deadly friend who no one sets the rules. Society. Organization. Function. These are but a petal on the flower of Life. Take a step in one direction and take a step the other way. Prosper. Grasp each moment as it awaits you, to remember and experience

This is a life of Harvest!

NEHI Hosts the Second Annual

West Coast Jazz Festival

Early Graduation

Can we believe it? The end of this small part of our lives, twelve vears. January 20, 1900 was Northeast's very first Farly Graduation ceremony. Here are our memories.

At LAST — it's over — this part of our lives is just history now. We ve looked forward to graduation for so long, but now that it's here, should we laugh or cry? True, we won't have to get up before the sun to make homeroom, but we won't be together with all our friends either. The world is full of questions, but we know it'll all be easier to face because of the knowledge, people, and friends we've experienced at Northeast.

LEARNING

Kindness and understanding are natural of Mr. George Baker and Mrs. Betty Stone, two very human teachers.

Mr. Baker is one of those people who wants the best for you and he's more than willing to devote all his time to help. Need someone to talk to? He'll be there

Mrs. Betty Stone is a very caring person. With a very witty, and warm personality, she's the type of person who appreciates everything a student does. She seems to love life and the wonders of it

It is to these very rare and wonderful people that we dedicate the 1975 Viking Log

In Grateful Appreciation To A Faculty That Continues To Care learning 65

Innovative Leadership

Strong leadership depends on the individual's commitment to responsibility and concern for those who work with him. Bill Williamson's message was composed of the togetherness involving students and teachers. The mutual sharing of skills, experiences, and ideas into the Administrative function are the basic ingredients upon which learning and understanding are built

You know, this job isn't half bad

Hey, this is neat!

Gosh, I'm so happy!

But I already have a chair.

What do you mean today's Saturday?

Concerned Involvement

The carrying out of the principal's philosophy was entrusted to concerned individuals such as John Demps and Jack Stabler, Northeast's efficient yet gentle Assistant Principals. Their influence was felt everywhere and by everyone — in their offices, the classrooms, the field and, yes, even the parking lot. No one ever needed to ask whether they were concerned about Northeast

Demps you are gorgeous!

Diverse Individualism

The diverse individualism of Northeast's huge faculty really contributed to the year's fun filled events with an emphasis on learning. They united their various skills and personalities in the effort to prepare students for the changing realities of this perplexing world

In the maze of halls and rooms, expanded over the spongy grounds of Northeast, there was an open, linking relationship between students and the teachers both being exposed to new and young ideas.

With each department functioning in a unique manner, the faculty worked together to form a solid base of education for the maturing student. The challenge of having added fun along with getting the job done successfully was definitely evident this zipping year of '75.

The exhibited understanding and work of the administration was obvious under the new leadership of Mr. Bill Williamson, who implemented change for improvement within the system.

The hushed atmosphere of the Media Center drove students crazy!, shhhh!! The infusion of knowledge that the Media Center gave was recognized as a big book stuffed with factual data. Concentration and soft whispers were displayed by students when restrained from loud social chatter like sucking a thick shake with a toothpick straw. Study, study, that's all we do around here.

Moving over to some shaking action, the busy Guidance department helped students in their course selection, giving educational advice that'll reflect each person's growth in the hope of benefiting his future. The counselors continually aided students out of bad situations, such as finding their way through halls of

crowded pupils, and into helping themselves

Above the supporting roof of the guidance offices were the tapping feet of the zesty English department, holding to its golden goal of expanding students' ability to express inner ideas with the big. stick of style and precision. The English department was full of undercover comedians who came out of hiding when they were entangled with one of their hilamous skits like the cute, female football players being urged on by hairy legged cheerleaders who kept dropping their lumps in the fall pep assembly . . . go get'em team!! Involvement in school activities was just unbelievable, fueling up every Inservice Day with an covered dish banquet full of steaming, scrumptious food. The English department completed its role surrounding communications with an electrified net of words. Ouch!, the words are shocking of Ourse

Students of the Business Education department were taught the basics of the business world with its realistic views of the economic phase of life, such as finding a meaningful job. The operations of data processing, management, bookkeeping and other areas were thoroughly exposed to students in an effort to show them how to grow and function properly in a business enterprise.

The vigorously committed department of Cooperative Education helped students develop vocational competency with the strengthened skills and attitudes needed for employment in many fields. Students were allowed to show their performance on the job in order to gain direct experience in working together with other people and receiving a weekly income. This department even built a zooming drag car and drove it on a race track..., whoosh, its going, going!... well at least it's moving.

Also on the move with motor-

Going! Going! Whoops!

propelled wheels is the Drivers Education department, which provided students with an opportunity to acquire the expertise and knowledge necessary for safe and enjoyable operation of a gasconsuming vehicle. Please keep your tire off the grass. The driving instructors kept their cool while some students drove on curves and bravely on the other side of the road. It was only when one student backed up a little too far in the parallel parking maneuver, while another student broke away over the restricting logs of the range, did there become just a hint of panic in their actions Hey! slow down, . . . What?!, you don't know where the brake is!! Some days it was better for the teachers, an unbending trio, to lecture their enthusiastic group in a safe class room.

A equally stimulating, but less dangerous area, the Fine Arts department engaged students in conscious use of their own creativity to form sensitive beauty. Their imaginations were the outlets for emotions and stimulated ideas. tike music in your ear and paint in your eye. There was a fine arts carnival of lively band sessions, visnally displayed arts, and fun plays in the spring. Here's a crash view of what was going on at the carnival. "Please, no . . no, no applause, just sit down in your weaved seats, painted in sparkling designs, and listen to the dynamite music in the background, . I'm your wonderful speaker and . . , who just said, get that dodo off the drama stage, . . . I'm not a do . . . Please, no . . . no, no flying eggs!" The imaginative thoughts and new skills brought to reality by students in this department left us with an unfading sting of magnificent joy and beauty.

Communicating in seemingly alien tongues, the zany department of Foreign Language revealed to students the characteristics of different cultures and their

Understanding Cultures

unified speech. The department's adventures to restaurants of these cultures were experiences exceeding the feeling of just looking at their food. Traveling to the mountainous nation of Guatemala and daily festivities of winding Spain, the energetic Foreign Language department involved themselves with overflowing activities. They kept their motivating thought of, yo no me comprendo lo que me estoy diceiendo; I don't know what I'm saying, behind them all year

With the visions of smoke coming out of an oven, carefree youngsters ready to take over the school with peppermint sticks and the new style of four legged pants, the Home Economic department had a ball of a year. They helped students develop good habits and abilities in the areas of nutrition, child care, housing and economics which will prepare them for later decision-making in their own modern home. Students creatively made great dishes and fashionable clothes to eat and wear for years . . . for years?

in the flight of floating saw dust, heavy nails, and accurate blueprints, the Industrial Arts department gave students skills in exploring electronics and construction. It's shocking how some of these students hit their fingers, rather than the nail with the hammer, ouch! Home maintenance and working procedures were also stressed in this circling department of angles and accuracy and sometimes a misteak, . . . mistake.

in the environment of a steel kitchen, an auto repair room and the grace of food serving, the Industrial-Technical department gave students a hands on, hand in laboratory of cooking, proper table placemats and oil. The new auto mechanic building, that was brought into focus this year, held modern equipment and new skills. On different occasions the

Unique Experiences

faculty was treated to a well prepared and courteously served luncheon, the lucky devils. These exercises gave students a strong, vocational experience for future use. But the unique ability to cook a chicken with stuffed machineorled napkins won't make it at all

Composed of theoretical abstractions, flexible lines and the infinity of numbers, the Mathematics department gave operations of logical thinking into the compact minds of students Throughout this additional year, the Math department had its times of angled smiles and grasping thoughts all constructed for students to contribute to their community later in life. The needed postulate that was used by students when they got stuck on a mathematical situation was that nothing from nothing is nothing.

Doing a lot more than just nothing, the Physical Education department released its function of stretching muscles and activating sweat pores possessed by students. The department was in the hope of developing young body mechanics to its proper extension, that the students will also mentally grow more strong and stable Physical ability and grace was performed during the running year by students in fading gym clothes with the vitality to accomplish successfully. The mixed teams of boys and girls that were frequently exercised, showed the cooperation and fun of working together between the sexes. The concept of getting what you put into it was definitely operated in the jumping department of Physical Education. All right now, let's do a hundred sit-ups, . . . W hat!!!!! Did I hear someone say ZZZZZZZZZ''

Pride and Driving Spirit

With the support of NFHI students, Coach McLay and his staff, the forceful Viking football team had their best school season ever with a brilliant 9-2 record. It was pride and driving spirit that made the players meet top excellence in the grueling P.C. Conference this year. Though being quite small and lacking some experience, the Northeast football fighting unit never gave up in accomplishing its hopeful goal of victory and success

Starting off by losing their only two games of the year against Riverview, who later forfeited, and Largo, the flexible NEHI team looked at the mistakes and went hard to work on improvements. At the first pep assembly which was packed with energetic heads, Coach McLay made a heavy promise to the students that Northeast would have a winning football team if they backed them up with needed spirit. The promise was certainly received with the modification of Viking vigor at each game

That following week the team traveled to Boca Ciega and defeated them with a close score of 7-6. Next came NEHI's heated rivals, the St. Pete Green Devils. who lost 20-7 at their own stadium. Seminole, the subsequent game, was a tough, involving game, yet the Vikes burned them with a 28-18 victory. The following game against Lakewood honored the players' parents. The NEHI team ran over the Spartans 21-13 for the devoted parents who had been behind them all the way.

The Vikes had won four consecutive games and easily knocked off the far away team of Manatee 21-14, making it big number five. With great anticipation and added determination, the Northeast football helmets visited Dunedin and ruined their homecoming by slaughtering them 38-6.

Then came the wonderful splendors of NEHI's own home-

Now this is a football. It's shaped like an egg and what you do with it is

Viking spirit for NEHI games

Well, it's this way, coach

coming game. The biggest encounter was against the tough Clearwater team who were utterly destroyed 27-6.

The last, yet very important game opposing the Dixie Hollin's team was to determine who was to clinch the city and co-conference champs and a route to the district playoffs. The Vikes came on top by crushing the Rebels with a 20-7 score of accomplishment. This left the fourth quarter ending with a naturally NEHI atmosphere of joy and happiness.

Northeast's chances to go the battling district playoffs quickly faded when Largo defeated Clearwater 17-14. The Vike's dream had finally ended until they were honored by the invitation to play in the huge Tangerine Bowl at Orlando against the powerful Orlando Boone team. The NEHl team traveled to Orlando full of excitement, hope and spirit to win. They were ready to give that Boone team. the toughest time ever. Both teams crashed head on with a conflict of battle that lasted to the very bruising end. Northeast's only hard earned touchdown came at about the middle of the third turbulent quarter

The strong Orlando Boone team just plainly out-muscled the Vikings and beat them 18-7. The worn NEHI team returned with an immense trophy for their participation, a great 9-2 record and a lot of soft tears which reflected their silent happiness

With a teams' powerful will, that glowing force of energy, the hard work of Northeast's accelerating football team had reached its goal of winning the victory, of bringing the school closer together with growing enthusiastic spirit. The team of red and white jersevs had lived up to their expectations with a near perfect season of very few losses

We, the students should be proud of our strong Viking football team and thank them for giving us their time, drive and valuable determination. 'Thank you and congratulations to a superb

J.V.'s City Champions

This year of '75 left the Junior Varsity football team with an amazingly good record of 6-2. Though small in number the J.V. team was very big in acting firmly and driving hard in order to reach their goal of victory with spirit. The Junior Varsity did go all the way and proudly accepted the City Champions Trophy after beating Dunedin in their final game. Coach Dudley and Buck led the J.V. team to a winning season.

Unrelenting Pride

Under the stable leadership of Coaches Otto and Clark, the strong '74-'75 Freshman football team had a great season of four wins and two losses. They started out by losing their first, but only, two games of the year. The determination of the unrelenting Freshman football players then came back, hitting hard to win their remaining four games with team spirit and that powerful hunger for victory. The season ended in anticipation and optimism for the future.

Long Distance Motivation

Ranking among the best in the state, Northeast's Cross Country team, headed by Coach Howard. ran long distances with the quality of great endurance and self motivation. The team had a very good season, placing third in the District meet, fourth in the Conference meet and second in the city Practicing every afternoon, which involved running from three to fifteen miles, paid off when the team placed fourteenth in the State meet. Though sometimes out of breath, the Cross Country team still came through to victory.

1st Row — Dave Schooley, Jon Justison, Greg Sullivan, Randy Hardison, Jim Bergeron, 2nd Row — Coach Howard, Steve Fucini, Steve Stuart, Steve Schooley, Mike Devereaux, Danny Rummeh, Julie Schrader

NEHI Varsity District Champs

'The 1974-75 Varsity basketball team had a very exciting and successful year. Although they didn't win the Conference title, they finished in the top division as was predicted before the season began. Throughout the season they rated in the top twenty in the state. These athletic individuals definitely obtain that special drive to win.

I appreciate the support of our loyal fans and administration. Their radiating spirit stimulated the players in making certain that when they try for a long 25-foot shot, the goal is a sure two points."

J. V. Basketball Upward

This year's J.V. Basketball team, under the strong guidance of Coach Palmer, had a very satisfying season. The team openly displayed its talents and determination to obtain victory throughout the year. This continuous show of abilities to their full extent by this NEHI team was cheered on loudly by fans.

'This year's J.V.'s have been a lot of fun for me to coach. Led by Kenny Brooks, the J.V. Vikingshave put together a respectable 12-11 season. Good defense and a lot of hustle were the main aspects of our program. I'm really proud of these young players and the way they have met the challenge."

Girls' Basketball

Being a new, innovative, and determined organization, the girls' Basketball team worked hard to have a successful, well-played season. They competed all over the Bay area against other high school female students. The strong drive to have a very good year paid off at the end with the newly formed basketball team finishing the season in the top-ten category. These young athletes believe that making a shot for the goal is easy if you only know how to do it.

Coach Bill Dudley smiles for the crowd.

A Year of Rebuilding

The Viking Wrestling Team experienced a year of rebuilding, in that only 10% of the team were seniors. However, the season was not void of its high points. Four Vikes were place finishers in the District Tournament, Mike Ward gained 4th place at 135 lbs., Tom Budnik took 4th place at 141 lbs., Daryl Hoffman was 4th place winners at 170 lbs., and Tom Conolly, team captain obtained the 1st place slot at 188 lbs. Tom also won the Seminole Classic Wrestling I ournament and placed 5th in the State Tournament

The goal of the returning wrestlers will be to meet and surpass the challenge of the records set by these fine athletes.

J. V.'s Pin Again

The Jr. Varsity Wrestling team, in the midst of their high confidence and dense experiences, had accomplished without a doubt a successful season of 7-7. Jeff Wood, and Tim Wiszowaty were Southern Pinellas County J.V. champions with Jeff Tomlin taking a second place. The J.V.'s showed determination; scoring high, and sacrificing when necessary to keep Northeast number one. The individual drive as well as a team effort to win was the key concept in obtaining a very good season for this '75 J.V. team

Ist Row left to right Lenny Olson Brad Garrett left Wood Bruce Kauftman Dave Schooley Standing Dan Curley Tim Wiszowaty, Jeff Tomlin, John Ervien, Terry Moran, Coach Tom Andes

Varsity Baseball

The Northeast baseball team of the 74-75 season can only be described as "Great." The success of this year's team was based on the young, inexperienced players who matured early in the season, as well as the returning players. The returning lettermen were Dave Conolly, Steve Dierking, Crarg Lefferts, Tom Conolly, and Larry Lynch. This strong group had the proper attitudes, motivation, and desire to become a truly fine, hitting baseball team. Slides, homeruns, and superb plays characterized the team's year

J.V.'s Instill Spirit

This year's J.V. Cheerleaders were quite remarkable, practicing long hours each week for better performances. Always cheering their team on in victory or defeat.

They contributed greatly to the year's carnival, while making tags and posters for the team; not to mention putting on skits that dazzled the crowds at Pep Rallies

Most of this year's cheerleaders went to a summer camp to prepare themselves for the coming year. Their spirit and enthusiasm spread to everyone they came in contact with.

Loud echoing yells to stimulate the school to Viking victory were voiced continuously by these smiling J.V. cheerleaders.

50, in finishing we say, "Hats off to this year's cheerleaders, you did a great job!!!"

Left to right. Robin Schmeer, Blanca Sanchez. Sue Atwood. Trisha Cottee. Liza Savov. April Hill, Sally Pate, Barbe Fellows, Lon Lawson.

Frosh Create Pride

This year's Freshman cheerleaders did their very best to promote school spirit in the Freshman class. They were always there to back up and lead their team on to victory with the help of sponsor, Mrs. Bohne. As the saying goes, "Behind every team there is a group of enthusiastic women."

The Tireless Rojans

Starting off a very active year the Rojans prepared their annual Northeast calendar for the 74-75 school term. The members participated in the 3-legged basketball game to benefit UNICEF as well as selling programs at the football jamboree. They furnished new drapes and a chair for Mr Williamson's office and also bought new tennis shoes for all the members of the Junior Varsity basketball team

In order to provide service for the school Rojan members worked on schedules for both first and second semesters. They also ushered at wrestling matches and basketball games.

Christmas was another busy time for the club. They went Christmas caroling with the Interact Club, collected goods and rang bells for the Salvation Army, decorated the main office and made Christmas cards for the faculty

Services to the surrounding community included work at Easter Seals P A R C as well as at the Free Clinic.

Key-Keyettes Serve

key-Keyettes has been a very active and busy club this year, continuing projects for and with the United Way of Pinellas County they had a poster hanging campaign to educate the public concerning the services of the United Way

In order to give assistance to the Salvation Army "Christmas Cheer Fund" they collected \$125.00.

Many members worked at the Clearwater Kiwanis Club's annual "Kid's Day" at camp Seule. It provided under-privileged children a day in the woods exploring, playing, and swimming in a nearby lake.

These are just a few of the many public services Key-Keyettes has accomplished.

Mr. Herb Hildebrand, Sponsor.

Z Club Sells Tags

Club members strive to contribute much time to services in the school and community. In order to raise money and school spirit, they sold booster tags the day of each football game, and then ushered at football games and helped in stadium clean-up afterwards

Through the freshmen-sophomore orientation program they recruited a large number of new members

The club worked hard on a float for homecoming and chose one in which all members could participate "color my world" with costumes from many lands. They spent several Saturday mornings working at the Christmas toy shop and helped with the ringing of bells for the Salvation Army at Christmas. Keeping the nursery at Lynch Elementary School during the Halloween Carnival was a special service to the community. Carwashes, swim party, sponsoring the swimming team are other projects and fun times. With a year of growing leadership, spirit and traditional projects the Z club (Z for Zonta) is better than ever.

A Good Home Life

FHA had many projects this year. They collected and sold aluminum cans, held rummage sales, had a mother-daughter banquet in January and a Christmas party. The district meeting at Fort Myers was held in November. Purpose of FHA — to work for a good home and family life for all.

House of Representatives Lets Us Participate

170 / involvement

I'm tired of this falk. Can't we discuss something exciting like From?

NEHI Students Involved

They may be camera shy, but this year's homeroom representatives kept students involved and helped make many changes in school routine. We changed Prom, had a good carnival, homecoming, and a prosperous year.

High-Q Unlike Most

Unlike most competitive teams the TV team operates all year long from September through May They practice with Mrs. Choffat at least once a week, absorbing as much trivia as they possibly can. Members are chosen by written test and exhibition try-out games before faculty members. They participate in programs on Channel 13 (High Q) and Channel 8 (Categorically Speaking).

Here we added April Metzler, Dede Dillon, and Kevin Fortin to our group

Mrs. Choffat's facial expressions show emotional support

Realls? Where I went to school I was taught that was

Behind every good team there's always a determined teacher

That's okay, honey, everyone has his bad days, you tried

Rich, Beautiful Voices

This year's Freshman voice class worked hard creating rich beautiful voices. They sang every day around the piano and learned quite a few challenging pieces. Mrs. Velma Rowe was a great help.

Some New Sounds

The Freshman intermediate chorus also made some new sounds. Mr. Igney, their director, kept them on their toes. Practicing was an everyday occasion and it proved worthwhile.

Connie Cooper Toretha Evans Shirley Nall Katrina Williams Mary Segauntas, Debbie Buettner, Joanne Vaughn, Mahalia Cooper, Venlyn McCondon, Rahl Lang, Wendy Thomas.

... A Real Treat

This year Mrs. Rowe's tenth grade girls' ensemble was really into the swing of things. They performed many programs throughout the community. Their well balanced light program was a real treat

Left to Right Susie Welch Ellen Bridge, Lind, Rudlow Sam Bishop Rene Haertel Barbara Mallock Ginger Ciatto

Mr. Igney's Ensemble

Mr. Igney's girls ensemble worked hard this year and performed at the Christmas and Spring concerts. Most of these girls are also members of the mixed chorus

... Quite a Show

The mixed chorus under Igney's direction put on quite a show. They practiced daily and tried to become as polished as possible. They did a really nice job this year.

Mr. Igney accompanies as he directs.

Kept the Rhythm Going

The Girl's Glee Club was a big hit this year. Besides their regular sacred selections they added some jazzier tunes. These included "Time in a Bottle," "My Beautiful Sunday," and "Boogie Woogie Bugle Boy." They practiced diligently to keep in tune and definitely kept the rhythm going!

I had a hard day. Wake me when it's over

We couldn't have made it through the year without Mr. Igney.

A Fun Experience

The Gondoliers were great this year. Performing all over the city for various clubs, organizations, and public audiences was a fun experience. We wasted no time in getting to know each other. Practice was never dull with Bridget Sumner's sense of humor and it was always productive thanks to the guidance and concern shown by our director, Mrs. Rowe. Accompanist Debbie Evans always deserved her round of applause and Tim Rowe announced with flair. We'll never forget 'The Way We Were!"

We were accompanied by Debbie Evans.

Why not? Come on everyone let's sing him a madrigal

Making Beautiful Music

Sure, it takes talent to sing in the Concert Choir, but director Mrs Velma Rowe had the perfect formula for putting it all together and making it sound beautiful. This year we sang well enough to sing Handel's Hallelujah Chorus. We gave our usual Christmas and Spring Concerts along with several others and were brilliantly accompanied by Jim Spikes.

Psalite Domino' Doesn't look like much, but the photographer said he liked it 11

Oh, Those Deadlines!

What can you say about a year-book that lived? It was creative, original, and totally dedicated to recording the happiness and heartbreak at Northeast High. We can relax now but this year gone by has been busy indeed

Remembering back during the year we put on that assembly "Relevance '75 — a yearbook never forgets" and the time Jo Lynn Wells went to Furman University to attend that yearbook seminar. With all the deadlines pressing us and all the work after school, you know now we really don't mind

now that it's over for another year

You know, we even expected to win another award at the Florida Scholastic Press Association convention in Daytona.

Um let me see now. If we move this here and that there

"Hey!" "This isn't right!" "I'll fix it!" "I can't look!"

NHS exemplifies aid to students

Twice each year an exclusive group of NEHI students are tapped for NHS. These students have displayed excellence since their sophomore years in four fundamental principles of society; leadership, scholarship, character, and service. Only those with high ratings are selected. NHS has several projects aimed at improving NEHI, among them a coordinated tutoring program available to all Northeast students. The main purpose of NHS is to give recognition to the school's top students and allow those students to work together in improving relations between students, faculty and administration.

First Place Trophies

The Viking Band started the year with a big week at Band Camp at Moon Lake in Tarpon Springs. The band continued rehearsals during school four nights a week getting ready for the first game. Between football games and rehearsals, raising money for our trip to Alabama was our main project. The weekend trip was well worth our time. The Viking Band came home with first place trophies in Color Guard, Majorettes, and Band, putting them in second place out of nineteen bands. Other activities included the Christmas Parade, a Christmas concert at Gateway Mall, and the Tangerine Bowl in Orlando. To top the year the band participated in the Florida Tournament of Bands, winning second place.

GROWTH

The searching of youth, expanding their relationship and understanding of others within a changing world, exemplifies a growing togetherness with humanity.

The class of '75 was the most productive and innovative ever at Northeast. We were led through our final year by our president, Rick Macri, with the help of vice-president, Luisa Milian, secretary. Cheryl Garrett; and Louise Wynne treasurer

Supported by our tradition of involvement and spirit, we continued the trend of successful class activities. Committees were formed to coordinate all the areas of activity and the Senior Class, in a group effort, showed their willingness to actively participate. For his help and consideration we would like to thank Mr. George, our sponsor

The year's activities opened with a successful school-wide pool party. Then the first six weeks ended and report cards came out. We settled into the routine of our final year of high school. The carnival held this vear on October 26 was followed by a fantastic homecoming. Breaking away from tradition, early graduates were graduated at Northeast High and the prom date was moved from May to February 1. The Grand Ballroom at the Don CeSar Resort Hotel provided the perfect setting for a totally elegant evening. Between these major events, seniors were busy taking senior placement tests

The school year came to its end with a chain of events set off by the unforgettable experience of Grad Nite at Disney World. This was followed by the annual Senior Breaktast. We had the chance to reflect upon the Good Times and talk of future plans. That Friday, as we sat in our caps and gowns, the graduation ceremony left us with a feeling of sadness because this was the last time we would ever be together as a class. We, the class of "7" were now graduates of Northeast High School.

I knew I shouldn't have watched that fate movie last night

Mod Scheduling Waking At Six

Wow! Mod Scheduling at last! This year's sophomore class was the first class to really appreciate modular scheduling and early morning sessions. They started a Spirit Chain to show their Super Sophomore Spirit. J.V. games, selling key chains, P.E., and selling ice cream at the Carnival were all important memories for the "Class of 77."

Soph Class Sponsor Mrs Rodgers

Excitement, Adventure And Maturity

The Freshman Class began the year with a sense of excitement and adventure. We had fun at football games, joined clubs, made lots of new friends, and grew in knowledge and maturity. The year passed by swiftly. We can hardly wait until our sophomore year when we will have modular scheduling, Here's hoping we see all of our triends next year back at NEHI.

Freshman Voice

LIFE IS . . .

Maxing men, calls to a wask chief shi

A constant image of ourselves.

An expression of your innerself.

... and trying again.

A system of . . . branching out, and breaking off.

Growing up ...

not old

Changing will much passing moment

Giving up something good to become something better

Continuously ending, and continuously beginning
